

For those of you who have never stayed home from school sick, the Price is Right is a daytime reality television program. Thousands of people a day line up wearing absurd shirts and screaming prices of groceries hoping to be selected to participate on this gameshow. The show features various classic games, like Plinko and Showcase Showdowns, where various commercial products are featured and participants, who have usually studied product prices for months, have to name their prices. Now it is your turn. Send your answers to [heathextenedday@gmail.com](mailto:heathextenedday@gmail.com) by 6pm for a RV and a lifetime supply of Brillo Pads!

OR

6oz Box of Annie's Shells and Cheddar

3.

A quart of Hood Milk

OR

Half Gallon of Hood Ice Cream (Let's be honest, hood is just okay ice cream)

4.

Party Size (15oz) of Lay's Classic Potato Chips

OR

Party Size (15oz) of Cape Cod Potato Chips

5.

10.8 oz box of Cheerios

Price is Right Challenge Two: Match the Price? All prices are based on non-sales prices at Target and come with clues!

6. Lucky Charms 10.5 oz: A full dollar less than the Ben and Jerry's below makes these a relatively cheap sugar fix.

\$4.99

7. Pint of Ben and Jerry's Chunky Monkey: They sell Ben and Jerry's in the UK and it is double the US price. This is still almost 3 dollars cheaper than a pint at JP Licks but lesser quality.

\$2.69

8. 8oz of Baby Bella Mushrooms-Under 3 dollars but trader joes has the best price

\$3.89

9. 12 pack of 12oz Diet Coke Cans: Under 50 cents a can but it is still pricey to rot your insides

\$9.99

10. Dawn Dish Soap 19.4oz: Price is right for clean dishes as this clocks in under 3 dollars.

\$8.99

11. Rao's Marinara Sauce 24 oz: Probably one of the most expensive sauces on grocery shelves but also the most delicious. Wait for it to go on sale under 8 dollars though!

\$2.39

12. Tazo Green Tea: 20 Count box: Tazo is Starbucks's tea brand, so it costs you, but each tea bag in this box is about 20 cents. That is a bargain compared to going to Starbucks even without the star rewards.

\$3.29

13. Opti-Free Pure Moist 10oz Contact Solution: Want clean contacts overnight? Yeah it is going to cost you but so are daily contacts

\$3.99

14. Band-Aid Brand 15 count Disney Princesses: There are definitely cheaper bandaids, or else my parents would have been willing to buy these for me, but 3ish dollars is worth it to feel like royalty.

\$4.19 Tea

15. Tropicana No-Pulp Orange Juice 52oz:  
Just as much sugar as ice cream and a much better  
price.

\$5.39
