

# MAKE YOUR OWN TRAIN VILLAGE!

In the box below, design your own train village! Decide where your train tracks will go! Do they pass by homes? Will they go over a bridge? Where do people wait to board the train? How many stops does it make around town? Does the town have lots of sidewalks/trees/buildings?

MY VILLAGE IS NAMED \_\_\_\_\_

A large, empty rectangular box with a thin black border, intended for a student to draw their own train village. The box is currently blank.
